

Decorate and pot your plant

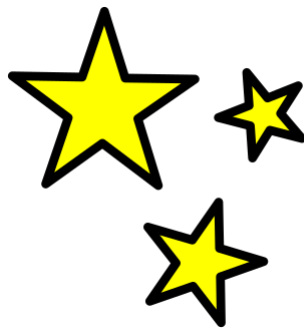

use your checklist to make
sure you have all the items you
need

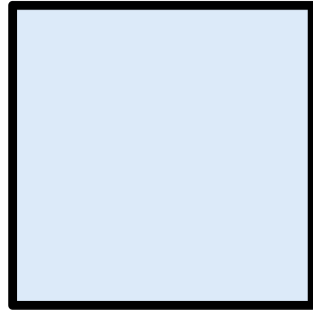

Lets stick the shapes
and animals to your
pot

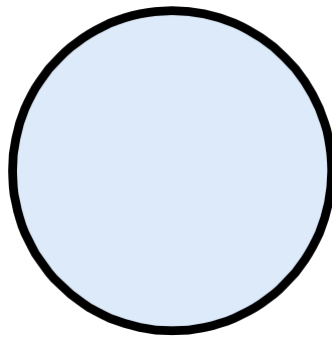

stick on 1 big blue
triangle

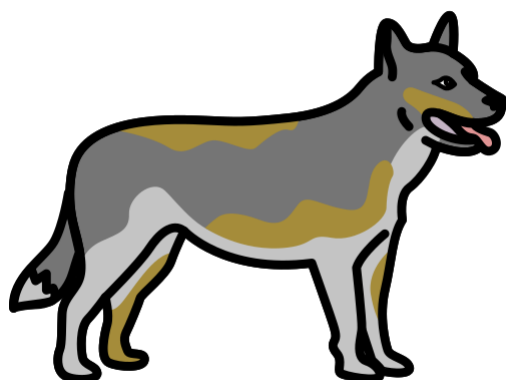

stick on 4 small
stars

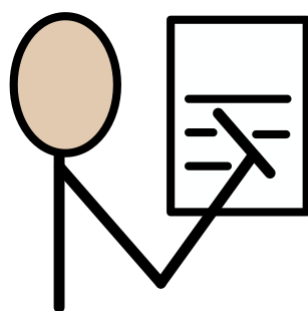

stick on 3 red
squares

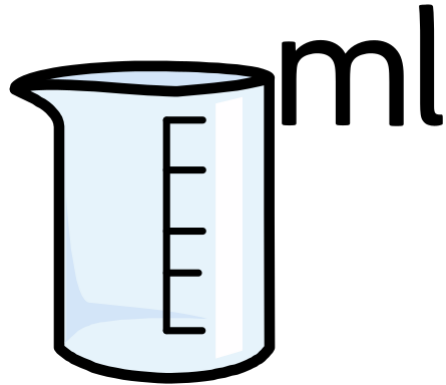

stick on 2 yellow
circles

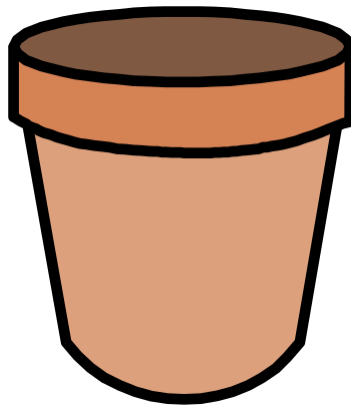

stick on the big dog

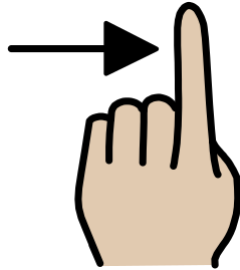

Now write your name on
the label and stick it on to
your pot.

3. Add 100 ml of water to the soil and stir

4. Add the soil to the plant pot

5. Use your finger to make a big hole in the middle of the soil

6. Put your plant in the hole and push the soil around it

7. Water your plant

8. Check on your plant
every week and water it.
Watch it grow.
