

## **SPEECH AND LANGUAGE THERAPY**

### **EARLY YEARS COMMUNICATION TRAINING**

Early Years  
Communication

Training

2025

#### **NEW DATES 2025**

Virtual Early Years Communication Training is now available for ALL Early Years Practitioners, working with children aged 0 – 5 years.

**THIS IS FREE TRAINING! Contact us now to book your place**

**What is covered on the training course?**

#### **Session 1: Typical speech, language and communication development**

***By the end of Session 1 participants will:***

- Have an awareness of the current context relating to Speech, Language and Communication Needs (SLCN).
- Have knowledge of speech, language and communication developmental milestones in children aged 0-5 years.
- Profile a child's speech, language and communication development.
- Have an understanding of universal, targeted and specialist levels of provision.

#### **Session 2: Positive approaches to support communication**

***By the end of Session 2 participants will:***

- Have an awareness of strategies to support all children's communication development at the universal and targeted level.
- Consider the role of the environment in supporting speech, language and communication
- Develop understanding and awareness of resources and considerations for running successful language groups
